

CLINICAL UTILIZATION REVIEW SPECIALIST STATE OFFICE – COLUMBIA, SC

Full time position available; reports to the Director of Managed Care in the Columbia, SC office. South Carolina Youth Advocate Program (SCYAP) is seeking a full-time experienced licensed professional in the healing arts for the Utilization Review department to ensure children and families obtain behavioral health services throughout South Carolina. Staff in this department are responsible for development of clinical documentation and justification for services, collaboration and clinical consultation with interdisciplinary treatment teams, and consistent and efficient communication with administrative personnel to ensure clients' services are authorized and clinically appropriate. Staff will liaison with Medicaid managed care organizations and other insurance companies to authorize behavioral health services for children in Therapeutic Foster Care. Position will be located in Columbia, SC and offer competitive pay and excellent benefit package. Must meet minimum professional licensure requirement to be considered; experience with diagnostic assessment preferred.

Position Requirements

- Professional licensure in South Carolina as an LPC, LMSW, LISW, or LMFT (or eligibility for licensure in the next 6 weeks)
- Experience in child welfare, youth services or mental health
- Desire to work in a fast-paced office environment with a team of professionals
- Excellent clinical judgment with willingness and desire to work collaboratively with treatment team
- High energy, motivated individuals with strong work ethic and ability to work independently
- Advanced oral and written communication skills
- Experience in treatment planning and review
